The MSB is the Byzantine Majority Text version of the BSB, including the BSB OT plus the NT translated according to the Robinson-Pierpont Byzantine Majority Text (byzantinetext.com).

The MSB includes footnotes for translatable variants from the modern Critical Texts (CT) such as the Nestle Aland GNT, SBL GNT, and Editio

Critica Maior. Variants between the Majority Text (MT) and Textus Receptus (TR) are also noted.

This text is now considered a stable text. Please send all comments to the Berean Bible Translation Committee through the contact page at Berean.Bible.

MAJORITY STANDARD BIBLE

"Now the Bereans were more noble-minded than the Thessalonians, for they received the message with great eagerness and examined the Scriptures every day to see if these teachings were true." – Acts 17:11
