The World English Bible is a Public Domain translation of the Holy Bible into modern English. Includes Apocrypha/Deuterocanon. The Classic edition is in American English. It uses "Yahweh" for God's proper name in the Old Testament.

In the beginning, God created the heavens and the earth.

—Genesis 1:1

A Psalm by David. Yahweh is my shepherd; I shall lack nothing.

—Psalm 23:1

But seek first God’s Kingdom and his righteousness; and all these things will be given to you as well.

—Matthew 6:33

For God so loved the world, that he gave his only born Son, that whoever believes in him should not perish, but have eternal life.

—John 3:16

We know that all things work together for good for those who love God, for those who are called according to his purpose.

—Romans 8:28

This is to avoid confusion, not to limit your freedom. The Holy Bible is God's Word. It belongs to God. He gave it to us freely, and we who have worked on this translation freely give it to you by dedicating it to the Public Domain.

Donations to help with the expenses of this project and thus help others have free access to the Word of God may be made to us, but are not required. Please see https://MLJohnson.org/partner/ if you are interested in helping to fund this work.

This is the 2020 stable text edition of the World English Bible. The main editing/updating work is done on all books. Although we may choose to consider corrections of obvious typos or problems in the text, we are done with style updates and modernization of the language used in this Bible translation, preferring to leave the text stable. New updates, if any, will be posted on https://eBible.org/web/ and at https://WorldEnglish.Bible.
